## AMAZON+ SERVICES

### What is it?

At KOKIO, we offer specialised Amazon+ services to help your business succeed on one of the world's largest e-commerce platforms. Our end-to-end Amazon service covers everything from account setup and product listing optimisation to fulfilment and ongoing support. With our expert team, we ensure your brand stands out in a highly competitive marketplace, driving more sales and enhancing your visibility.

### Amazon Account Setup

Setting up an Amazon seller account can be overwhelming, but with KOKIO's Amazon Account Setup service, we make the process seamless. We handle all aspects of account registration and configuration, ensuring that your business is properly set up and compliant with Amazon's requirements. This service saves you time and allows you to focus on your business from day one.

### Product Listing Optimisation

Your product listings are key to attracting customers, and our team specialises in listing optimisation to ensure your products are presented in the best light. We craft compelling product descriptions, optimise keywords for better search rankings, and ensure that your listings are aligned with your brand's messaging. Our goal is to increase your product visibility, driving more traffic to your listings and boosting conversion rates.

## Amazon FBA & Multi-Channel Fulfilment

Fulfilment is critical to your success on Amazon. KOKIO offers comprehensive support for Fulfilment by Amazon (FBA), ensuring that your products are stored, picked, packed, and shipped efficiently. We also integrate multi-channel fulfilment, allowing you to sell on other platforms while using Amazon's fulfilment services. Our fulfilment solutions guarantee fast, reliable delivery, leading to higher customer satisfaction.

## Advertising & Marketing Solutions

Driving traffic to your Amazon store is essential for growth, and KOKIO's advertising and marketing solutions are designed to maximise your reach. We create targeted Amazon advertising campaigns, using pay-per-click (PPC) strategies to help your products reach the right customers. Our data-driven approach ensures you get the best return on investment, boosting sales and building brand awareness.

## Performance Analytics & Insights

Our performance analytics tools allow you to track your sales, customer behaviour, and product performance in real time. We provide detailed insights that help you make informed decisions, refine your strategies, and continually improve your Amazon presence. With our reports, you'll always know where your business stands and how to take it to the next level.

## Brand Protection & Compliance

Amazon's marketplace is vast, and protecting your brand is essential. With KOKIO's brand protection services, we safeguard your listings from counterfeit products and unauthorised sellers. We ensure your brand complies with Amazon's policies, reducing the risk of account suspensions or penalties. By protecting your brand identity, we help you build a trustworthy reputation.

## Ongoing Support

Selling on Amazon is not a one-time event, and KOKIO is committed to providing ongoing support to ensure your continued success. Whether it's navigating Amazon's ever-changing policies or addressing any issues that arise, our team is here to assist you. We stay updated on the latest Amazon trends and requirements, so you don't have to.
